Re: *Dyson Technology Ltd., et al., v. Maytag Corporation*

Dear Lisa:

Enclosed please find the following, produced by Dyson in response to Maytag's request for documents in the above-referenced matter:

- A disk Bates-numbered DYS606707 – DYS622535. This disk is highly confidential.
- A disk Bates-numbered DYS622536 – DYS632792. This disk is highly confidential.
- Hard-copy documents Bates-numbered DYS372258.1 – DYS372258.147.
- Hard-copy documents Bates-numbered DYS393343 – DYS399975.
- Hard-copy documents Bates-numbered DYS500424 – DYS501563.

Additionally, on October 31, 2006, my cover letter indicated that we had produced DYS067514 – DYS068098. In actuality, this range ended in DYS067859.

Finally, over the course of discovery in the above-referenced matter, we have encountered several corrupt and unprintable electronic documents. We have worked diligently to access these files and have produced them, where possible. To the extent we are able to restore any of these files at a future date, we will provide these documents to you.

Please feel free to call me with any questions or concerns.

Sincerely,

A handwritten signature in black ink, appearing to read "Melissa D. Goetz". The signature is fluid and cursive, with a large, stylized "M" and "G".
